Dear Mr. Christian Guellerin,

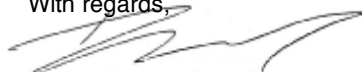

Re: Kyoto Design Declaration

On behalf of the Icograda membership in 67 countries and regions around the globe, I would like to take this opportunity to commend Cumulus on the development of the *Kyoto Design Declaration*.

Icograda shares in Cumulus's belief that, 'Design is challenged to redefine itself and designers must assume new roles and commit themselves to developing solutions leading to a sustainable future.' We welcome the opportunity to collaborate with Cumulus members in promoting the ideals of, and sharing our knowledge about, design's role in fostering sustainable development.

Please accept Icograda's regards for a successful conference in Kyoto and our best wishes on the signature of the declaration on 28 March.

With regards,

Don Ryun Chang,
Icograda President 2007-2009

cc: Russell Kennedy,
Icograda President Elect 2007-2009
